THE STROWAN KIND

General Information

TIME—12:00 o'clock noon, Eastern Standard Time on Saturday, May 1, 1954.

LOCATION—Strowan Farms, where the sale will be held is located 3 miles Southwest of Fredericktown, Ohio. Fredericktown is on State Road 13 between Mt. Vernon and Mansfield, Ohio, and on Route 95 from Mt. Gilead to Wooster, Ohio. To reach the farm from Fredericktown go 2½ miles Southwest on the Old Columbus Road, then ½ mile West. Strowan Farm is approximately 23 miles South of Mansfield and 50 miles Northeast of Columbus, Ohio.

HEADQUARTERS—Although there are good hotels and tourist cabins in the smaller towns near us, visitors from a distance may wish to stop at the Leland Hotel in Mansfield and we recommend it highly. If you will advise us, we will be glad to arrange reservations for you. Please state the number in your party and the kind of accommodations desired.

LUNCH—A lunch will be served at the farm at 11:00 A.M. by the ladies of a local organization. Come early and inspect the cattle before the sale.

BIDS—Those wishing to buy at this sale but who find it inconvenient to attend may send buying orders to Hal Longley, the Sale Manager, 16 S. Locust St., Aurora, Illinois; Ned W. Place, Eastern representative of The Shorthorn World, Wapakoneta, Ohio; Allan C. Atlason, Secretary of the American Shorthorn Breeders' Association, Union Stock Yards, Chicago, Illinois; Robert E. Schmidt, Fieldman, Ohio Shorthorn Breeders' Association, Delaware, Ohio, or to the auctioneers.

AUCTIONEERS—J. E. Halsey, C. D. Swaffar, Stanley Perkins and Don Beal.

PEDIGREES—A certificate of registry will be furnished with each lot sold and the certificate will be transferred to the buyer without cost to him. Applications for registry, properly signed, will be furnished for each calf sold at foot beside its dam and for each unborn calf sold in dam.

TRANSPORTATION—We invite you to come a day early for a leisurely inspection of the herd. Those traveling by train or plane may come to Mansfield where we will be glad to meet them if advance notice is given. Mansfield is on the main lines of the Pennsylvania, Erie and B & O railroads. It is also on main air and bus routes. Consult your travel agent.

Please bring this catalog with you to the sale.

Here are three beautiful daughters of Imp. Cruggleton Allardes, the son of Kinellar Forager whose get is liberally represented in this sale. The heifer on the left will sell as Lot 34. The dams of the other two heifers also sell in this dispersion.

**One look at the cattle
and the pedigrees and we
know you will agree that
this is the sale where you
can buy the kind of
shorthorns that will make
your dreams come true.**

Terms . . . Conditions . . . Guarantee

TERMS—The terms of this sale are cash. Each animal will be at purchaser's risk as soon as bid off but will not be delivered until settlement has been made. Cattle will be cared for and loaded on cars or trucks free of charge but at purchaser's risk of loss or injury.

HEALTH—The Strowan Herd is located in an Accredited Area for Tuberculosis. All animals in the sale will be tested for Tuberculosis within 30 days of the date of the sale and health certificates will show them to be clean of this disease. Calthood vaccination for Bang's Disease has been practiced regularly in the Strowan Herd and we have been careful to buy for foundation purposes only those females that have been officially calthood vaccinated. However, since the different states vary considerably in their Bang's entry requirements, all animals over 18 months of age will be tested for Bang's within 30 days of the date of the sale and the results of these tests will be announced from the auction block. Since nearly all states recognize calthood vaccination for Bang's, those animals that are younger than 18 months will be sold on the strength of their vaccinations.

PEDIGREES—A certificate of registry and transfer will be furnished for each animal sold as a separate lot and properly signed applications will be furnished for the registry of all calves at foot and all unborn calves.

PLEASE NOTE—The Strowan Herd is backed by an enviable reputation gained through good management and honest business practices. We have utmost faith in our cattle and, despite the fact that this is a complete dispersal, we are perfectly willing to sell them with breeding guarantees. Five or six females in the herd have been slow and are not safely in calf at the time of catalog printing. The names of these females will be announced on sale day and these will be sold as they are and with no guarantee. All other animals in the sale will be sold under the following guarantee:

GUARANTEE COVERING BULLS—

All bulls in this sale are guaranteed to be breeders if not allowed to run with the herd and if maintained in as good condition as when purchased. In case a bull fails to meet the guarantee, notice must be given within six months of the date of the sale. The purchase price, without interest, will be refunded in case bulls fail to meet the guarantee and the disposal of the animal will be at the option of the seller.

GUARANTEE COVERING FEMALES—

Cows with calves at foot are considered breeders and no further guarantee is given. Females that have passed two heat periods will be guaranteed in calf to the service named. In case such service is broken, a cash refund of 25% of the purchase price will be made. Any female not in calf to the service named must be reported within sixty days of the date of the sale. Females with service dates of less than two heat periods are believed to be in calf but are not so guaranteed and no refund will be given in case of broken service. Any change in breeding date from that reported in the catalog will be announced from the auctioneer's box. All females over 16 months of age will be guaranteed to be breeders. In case a female proves a non-breeder, the purchase price, without interest, will be refunded and the disposal of the animal will be at the option of the seller. Notice of females being non-breeders must be reported within six months of the date of the sale. Any cattle in this sale that are fitted for exhibition purposes by their new owners are excluded from the above guarantee.

Announcements from the auction box will take precedence over printed matter in the catalog.

The above terms and guarantee constitute a contract between Dwight Griffith, the seller, and the buyer of each lot. Neither the sale manager nor the person delegated as clerk assumes any liability, legal or otherwise.

All persons who attend this sale do so at their own risk, and the owner assumes no liability, legal or otherwise, for any accidents that may occur.

Three beauties from Strowan Farm. They were sold in our last sale respectively to Fred Smalstig, Pittsburgh, Pennsylvania; W. H. Kilcawley, Canfield, Ohio, and Gross Bros, Atwood, Illinois. The dam of the heifer at the left sells in this dispersion as Lot 65. The dam of the heifer on the right sells as Lot 41.

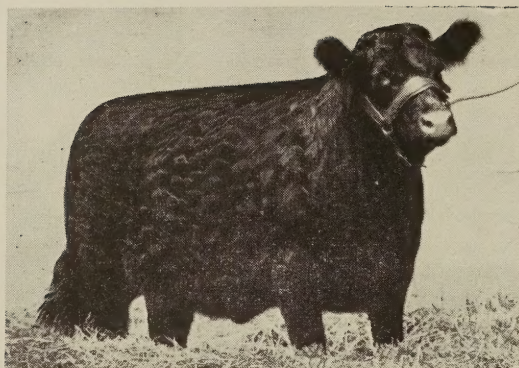

A Message From the Owner

Having accepted the position of Vice-President and General Manager of Acadia Farms at Northfield, Ohio, it becomes necessary for me to disperse the Strowan Herd. Although I am thrilled over the opportunities presented in my new position, nevertheless it is with great regret that I part with my own herd. I was born in a Shorthorn atmosphere and have spent my lifetime developing the Strowan Herd and bringing it to its present size and position in the industry. From the standpoint of individuality, bloodlines, herd bulls, and the dependability of each member, I believe the herd to be stronger today than at any time in its history.

I am happy to announce that Strowan Farms will not be without Shorthorns. The land has been leased to Robert Reese, a very successful farmer and Shorthorn breeder formerly located at Columbus Grove, Ohio. He will move his own herd to the new location and while I will have no connection with it, I shall always be interested in Bob's success.

My own service to the Shorthorn industry will proceed without interruption. The work at Acadia Farms will enable me to continue my association with Shorthorn breeders whom I believe to be the finest people on earth. I have great faith in the cattle to be sold on May 1st and, despite the fact that this is a complete dispersion, this faith prompts me to back them with guarantees. That every animal in the Strowan Herd may prove profitable to the new owner and an improver for the breed is my greatest wish. I shall hop to see you on sale day.

Dwight A. Griffith, Owner
Fredericktown, Ohio

Strowan Goldie 2nd.

This heifer is out of Lochmoor Goldie (Lot 52) and is a full sister to Strowan Goldie (Lot 53). She was purchased in our 1952 sale by W. H. Boutell for his strong Bilmar Herd at Grand Blanc, Michigan. The letter printed below, written recently by Dwight McCoy, manager of Bilmar Farms, is the kind we like to receive:

Mr. Dwight Griffith
Strowan Farm
Fredericktown, Ohio

Dear Dwight:

Thought you might like to know how the cattle have turned out that we purchased in your 1952 sale. The Goldie heifer, from your show herd, has developed very well and should make a very useful brood cow. We are especially pleased with the outstanding heifer calf dropped by the Elmhurst Augusta K cow which we purchased in the same sale. This calf, sired by Cruggleton Nyren, is one of the best we have on the farm. She has an exceptionally good head, is short legged, thick and deep bodied. I wish we had a lot more like her.

Sincerely,

Dwight McCoy
Bilmar Farms
Grand Blanc, Michigan

Aberfeldy Prince, the first calf by Imp. Cruggleton Nyren to be sold at public auction. He was sold at \$5,000 in the 1952 Reford Gardhouse sale.

Dwight Griffith, expert cattleman, tireless worker in the interests of the breed, and friend of Shorthorn breeders everywhere, has accepted a position of great responsibility at Acadia Farms and will completely disperse his own fine herd at Strowan Farms, Fredericktown, Ohio, on Saturday, May 1, 1954. Every animal in the herd will sell without reserve.

It will be obvious to close followers of the breed that this dispersion will provide unusual buying opportunities. It is one of the largest herds in the country and the pedigrees are strong. Because the Strowan Herd has been maintained for profit and not as a hobby, doubtful animals have been discarded quickly and remaining members have an excellent record for dependability. As an indication of the prolificacy of the females presently in the herd, the dispersion will contain 35 cows that sell with calves at foot and another 19 females that will soon calve.

For many years Dwight Griffith was the most liberal patron of Elmhurst Farms, the great herd maintained by the late F. S. Davidson, Lima, Ohio. Familiar through observation with the quality, breeding and prolificacy of Elmhurst productions, he bought as many females of this breeding as his resources would allow. Later he purchased the entire herd owned by Harry Hackenberger, Lima, Ohio, another strong group founded almost entirely on Elmhurst breeding. Further strength was added through the purchase of excellent imported females and herd bulls from Reford Gardhouse of Ontario. The good management practices of Dwight Griffith and the dependability of his herd members will be apparent to all who attend this auction.

We are sorry that the Strowan Herd is to be scattered but glad that the expert cattleman who developed it will have greater opportunities for his talents in his new position. Faith in his own cattle prompts him to back them with breeding and health guarantees. The terms of this guarantee are printed on page 6 of this catalog.

This will be a good place to buy . . . and a safe place to buy.

—HAL LONGLEY of The Shorthorn World.

OHIO'S LEADER 2d

1953 International Grand Champion Steer Over All Breeds

Although all credit for the winning of beefdom's highest honor belongs to Ohio State University, the exhibitor of Ohio's Leader 2d, and to House & Benroth, his breeder, we feel a small share of the credit belongs to us since his dam was bred at Strowan Farms. His immediate ancestors are pictured on the opposite page. Ohio's Leader 2d, weighing 1105 pounds at 18½ months of age, is generally acclaimed as the best of a long line of great steers that have won sweepstake championships at the International Live Stock Shows.

His Sire

This is Edellyn Royal Leader 83rd, the son of Edellyn Royal Leader that sired Ohio's Leader 2nd. He was bred at Edellyn Farms and is owned by House & Benroth, who bred this famous steer.

His Dam and Maternal Granddam

Here is Ridgewood Lavender 2nd, the granddam, and Strowan Lavender G, the dam of Ohio's Leader 2nd. The latter was bred at Strowan Farms and sired by Mercury's Goldfinder.

The Sire of His Dam

This is Mercury's Goldfinder, sire of the dam of Ohio's Leader 2nd. This son of Edellyn Rival Mercury was used with success at Strowan Farms and later sold to Walter Bros., Grand Ridge, Illinois.

We publish the pedigree of Circle M Royal Leader 7th for reference purposes only. Although he is still in the herd, he has failed somewhat recently and we doubt the advisability of selling him in this auction. He has been a great sire and owes nothing to Strowan Farms. Aside from numerous private sales, we have sold 24 of his calves in our 1952 and 1953 auctions for a total of \$16,450, or an average of \$685. We bought him because we felt that he was by the best son of Edellyn Royal Leader and out of the best daughter of Calrossie Mercury and this was a blood combination we wanted to infuse into our herd. We have not been sorry. His get and service will be a feature of this sale.

The Strowan Kind

Circle M Royal Leader 7th has done a great job in the Strowan herd. Included among his get are Strowan Sundial and Strowan Sovereign Lady 2d, pictured above, the two outstanding individuals that won fourth prize in the class for pair of yearlings at the 1951 International Live Stock Show. The former sold at \$4,000 to Carl M. Johnson, DeKalb, Illinois, after winning third prize in the open summer yearling class. The latter sold at \$1,050 to Carson Gibson, Houston, Texas, after standing high in the junior yearling class. This sale contains many of his calves and yearlings. After you see them you will agree that he is a truly great sire.

His Sire's Sire

Cruggleton Willingdon, famous wherever Shorthorns are known. He sired the sire of Cruggleton Nyren.

His Dam's Sire

Cruggleton Perfect, the greatest Shorthorn bull of his time. He sired the dam of Cruggleton Nyren.

Who will be the fortunate new owner of Cruggleton Nyren, one of the greatest imported sires of the day?

His Half Brother

Cruggleton Neville, in service in the herds of Anderson Bros., in Scotland, is a half brother of Cruggleton Nyren out of the same dam. The supreme champion and reserve supreme champion of the 1954 Perth Show and Sale were both bred in the herd of Alex Anderson, one of the owners of Cruggleton Neville.

Perhaps we may be prejudiced but we believe Cruggleton Nyren is the greatest tried sire to be offered for sale anywhere. Imported by Reford Gardhouse, he has been in service in the Strowan herd since his arrival from Scotland in 1951. Unfortunately, we do not have a large number of mature calves by him in this sale because we sold many of the females carrying his service in our 1952 and 1953 auctions. However, all who bought females bred to him report grand calves. In this sale we will offer a few short yearlings and a larger number of little calves and these certainly display quality enough to convince anyone that he is a truly great sire. Cruggleton Nyren, combining in the very top of his pedigree the blood of Cruggleton Willingdon and Cruggleton Perfect, is bred to suit the most critical. The eyes of the entire Shorthorn fraternity will be focused on the buyer of this great tried, imported sire. His first bull was exhibited by Gardhouse at the 1952 Canadian National Exhibition and stood second in a strong class, later selling in the Gardhouse auction at \$5,000. Who will be the fortunate new owner?

Although this is a dispersion, Cruggleton Nyren will be sold with a breeding guarantee. The terms under which he is being sold are printed on page 6 of this catalog.

**Want an outstanding show bull
and a truly great proven sire?**

HERE HE IS !

Here is Cruggleton Acheson, the sire of Strowan Perfect. Cruggleton Acheson is by Cruggleton Perfect and is a full brother to Cruggleton Account, the bull Les Mathers made supreme champion when he judged at Perth in 1948.

**The man who buys
Strowan Perfect

Here is Cruggleton Account, supreme champion at the 1949 Perth show. He was bred by A. J. Marshall and sold for approximately \$30,000 to the Boots Pure Drug Co., for use in the famous Westdrums herd. He is a full brother to Cruggleton Acheson, the sire of Strowan Perfect.

Strowan Perfect is well named because he is one of the most perfect calves ever developed at Strowan Farms. His dam is also included in this sale and you must see her to fully appreciate the bull. We bought her from Reford Gardhouse. From the day Strowan Perfect was born, we knew that he was exactly what we wanted. We have exhibited him for two seasons and he never stood below second. He won his class at the 1952 Ohio State Fair as a junior calf and repeated in 1953 at the Michigan State Fair as a junior yearling. His sire, Cruggleton Acheson, is a direct son of the great Cruggleton Perfect and is a full brother to Cruggleton Account, the bull that Les Mathers named as his Supreme Champion the year he judged the great Shorthorn Show in Perth, Scotland. Strowan Perfect is one of the great breeding bulls of the day. His calves are here and they are excellent. He will be sold in this dispersion along with his calves and many females carrying his service. Fortunate indeed will be his new owner.

Strowan Allard—Only a September calf but a good one. He is a deep red son of Imp. Cruggleton Allard, out of the great cow Marellbar Clipper Rita 4th by Cruggleton Allardice, the famous Marellbar herd sire. This bull is thick and lowset with good lines. His pedigree represents a perfect combination of Calrossie and Cruggleton blood.

Strowan Sundial, bred at Strowan Farms and sired by Circle M Royal Leader 7th. He was purchased in the 1951 International Congress at the top figure of \$4,000 and now heads the strong Polled Shorthorn herd of Carl M. Johnson, DeKalb, Illinois. His first calf, a heifer only ten months of age, was the grand champion female at the 1954 Illinois Polled Shorthorn Show and Sale and was purchased by Lynnwood Farms at \$690. Strowan Air Monarch—A full brother to Strowan Sundial, the great calf that topped the 1951 International Congress at \$4,000 and that now heads the herd of Carl M. Johnson, DeKalb, Illinois. This calf is one of the most rugged, deep ribbed, straight lined, good legged, natural fleshed calves ever produced at Strowan. His dam is one of the top daughters of Edellyn Royal Leader 18th and he has certainly been one of the top breeding sons of the All American sire, Edellyn Royal Leader. If you want weight-for-age and conformation plus, this is your bull!

This is a good place to buy a bull.

Two great tried sires are selling and along

with them go thirteen younger bulls, all

of real show promise and all displaying

the earmarks of future great sires.

Strowan Control—Are you looking for a bull that has a great head and neck set neatly into the shoulders, with shoulders laid smoothly into a set of deep, well sprung ribs, with a loin wide and deep? He is smooth from his shoulders to his tail-head, deep in his flank, and his hindquarters are meaty to his hocks. He is as thick as he is deep, has a million dollar color and a world of style. Have a look at this double bred Circle M Royal Leader 7th bull, then study his pedigree. He is a real show and breeding prospect.

Strowan Wonder—Here is a roan calf that is tops from his head to his round, a calf that is hard to fault. He is talking proof that Willow Lee Farms have a great progenitor of type in Drynie Wonder and that the doubling up of Modern Mercury is a perfect blood blend. This calf is International show calibre and truly one of the top prospects to be offered this spring.

A scene in the Strowan pasture. Females like these with lusty calves at foot will be the feature of this sale.

About the Females in This Sale

35 cows sell with lusty calves at foot and many are rebred. Most of these calves are by the famous imported sire, *Cruggleton Nyren*, a Marshall-bred bull whose sire is by *Cruggleton Willingdon* and dam by *Cruggleton Perfect*. Remember—the first bull sired by *Cruggleton Nyren* brought \$5,000 in the Gardhouse auction.

19 more great cows and heifers will calve in the Spring and Summer. Those who buy females in this dispersion will receive quick dividends.

20 open and bred heifers are to be sold. This group contains a grand lot of show prospects.

Strowan Sportsman, shown above, is out of the great cow Elmhurst Augusta 2nd, Lot 16 in this sale. He was sold in the 1953 International Congress Sale to Thomas Monahan, South Shore, South Dakota, for \$1,000.

Strowan Augusta D 2nd is a full sister to Elmhurst Augusta 12th, also selling in this sale. Her first calf topped the open heifers in our 1952 sale going to Kenneth Kettenhofen of Wisconsin at \$1,100. A maternal sister was the senior heifer calf in our winning 1953 show herd and was sold to Andy Miller, Benton, Ohio. Here is a great brood cow and she was pasture bred in November, 1953, to Crugleton Nyren.

Strowan Augusta D—A very good daughter of Elmhurst Edmund, he a grandson of the noted Naemoor Immaculate. Here is a superb breeding cow as you will note from the great calf at her side. She sells with a beautiful red heifer calf born October 26 and sired by Willow Lee Wonder 6th by Imp. Drynie Wonder. The calf has a wonderful head, is thick, deep, low set and a real prospect for a show heifer. Strowan Augusta D was pasture bred in October or November to Cruggleton Nyren.

Marellbar Clipper Rita 4th—A young cow that any breeder would be proud to own. She was bred at Marellbar farms and is a daughter of the famous sire Cruggleton Allardice. Her dam, a Calrossie Clipper, is one of the great imported females at Marellbar. This cow has two excellent calves in the sale, one a heifer born in April, 1952, and the other a bull born in August, 1953. Be sure to see both of them and then be sure to buy this young cow. She will carry the service of Imp. Cruggleton Nyren.

Want Cows With Calves?

"Where can I find a dozen or fifteen richly bred cows that have calves at foot and are rebred again to one of the top sires of the breed?" It's a question asked by many. Few people can cite you to such sources of supply. This complete dispersion provides one answer to the question. Thirty-five cows sell with lusty calves at foot and nearly all are rebred!

Strowan Dorothy May—A thin heifer that accidentally was served to her sire, a little too young and the bull Strowan Control, selling in this sale, was the result. He is certainly one of the top calves ever born on Strowan Farms, so good that we bred the cow right back to Circle M Royal Leader 7th. She is in calf since August 4 and should have a calf about sale time. A very good cow from a very good family.

Dron Nancy—Only in dispersions are such cows offered. She was imported by Reford Gardhouse and we bought her from him in 1951. She is the mother of probably the best heifer we raised last year that sold to S. J. O'Bryan of Illinois. Her first calf, Strowan Rodney, was used successfully by Andy Miller of Ohio. She is certainly one of the best brood cows in the herd and she is due to calve before sale day to the service of Imp. Cruggleton Nyren. Bred July 12, 1953.

Imp. Glastullich Spearhead, used with great success at Susanna Farms, Lake Villa, Illinois. He is a son of the 1947 Perth champion, Glastullich Fortress. Lot 63 is a very good daughter of this famous sire.

Lochmoor Nonpareil—A beautiful, two-year-old daughter of Imp. Glastullich Spearhead selling with her first calf at foot and what a pair they make! The calf is the first to be born from the service of Strowan Perfect and we are certainly proud of him. See this grand young cow selling with a red bull calf at foot born November 10, 1953. The cow was rebred on December 13, 1953, to Strowan Perfect.

Imp. Beaufort Brigand, former herd bull at Susanna Farms, Lake Villa, Illinois. He was a son of the noted Bapton Battleship. Lot 64, an excellent cow, is one of his daughters.

Susanna Nonpareil 3rd—There is plenty of proof right in this sale that she is a great brood cow. Her son is Strowan Brigand and her daughter is Lochmoor Nonpareil and you will agree that they are both good. This cow is a four-year-old daughter of Imp. Beaufort Brigand, her dam is a direct daughter of Calrossie Mercury and her granddam was bred by A. J. Marshall. She was pasture bred in October or November to Cruggleton Nyren.

Strowan Princess R 2nd—If you will read the footnote under the pedigree of Strowan Princess R, you will know what we think of this family. She is a full sister and the right kind of an individual. She is pictured above in her calfhood form. She is pasture bred in October or November to Imp. Cruggleton Nyren.

(Left) Lochmoor Stella A, champion 1950 Auglaize County show and sale, now owned by Carl H. Stander. She is out of Rosewood Stella A, Lot 76 in this sale.

(Right) Clay Hills Souvenir 7th by Greenwood Souvenir, second prize summer yearling bull at the 1952 International. Bred and exhibited by Carl H. Stander. He is a grandson of Rosewood Stella A, Lot 76 in this sale.

Rosewood Stella A—A wonderful producing cow sired by Imp. Cruggleton Achtoi. Certainly one of the most valuable females in our herd. One of her daughters is in the Clay Hills herd and is the dam of Clay Hills Souvenir 7th that stood second in class to the junior champion bull at the 1952 International show. A very good daughter of this cow sells as a separate lot in this sale. She is carrying the service of Cruggleton Nyren.

Willow Lee Rosebud 5th—Here is the famous heifer that we purchased in the "B Day" auction held at Everybody's Farm near Mason, Ohio, last July. She is by Edellyn Royal Leader 83rd and is a half sister to the 1952 International grand champion steer, Ohio's Leader 2nd. We paid \$1,900 for her and the money went for prizes and scholarships for junior stockmen who are establishing herd foundations. She is out of a great imported cow and she is right up to calving to the service of Willow Lee Wonder 17th, grand champion bull at the 1953 Ohio State Show at Wapakoneta and third prize in class at the 1953 International. We bought her to retain as a permanent part of our foundation herd and is offered for sale only because we are dispersing.

Vernon Benroth holds the "B-Day" heifer, Willow Lee Rosebud 5th while fieldman Bob Schmidt interviews Dr. O. W. House and Dwight Griffith. This famous heifer will be sold in the Strowan Dispersion. See Lot 90.

"B-Day"

a great success

The program including auction of half sister of Ohio's Leader 2nd was broadcast to a nation-wide audience.

B-Day at Everybody's Farm near Mason, Ohio, Saturday, July 11th, drew an estimated attendance of 2,000 from Ohio, Indiana and Kentucky. The event arranged by Shorthorn and Polled Shorthorn breeders of these three famous Shorthorn producing states and radio station WLW was a successful new venture in the promoting of the beef industry over the entire country.

Auctioned by Paul Good, Van Wert, Ohio, in what was described as "the most public auction ever held," Willow Lee Rosebud 5th a half sister to the 1952 International grand champion steer over all breeds, Ohio's Leader 2nd, was bought for \$1,900 by Dwight

Griffith, Strowan Farms, Fredericktown, Ohio. The proceeds go towards prizes and scholarships for junior stockmen in the three states sponsoring the event, emphasis being given to efforts in establishing herd foundations.

Runners up on this heifer were Acadia Farms, Northfield, Ohio, Lynnwood Farms, Carmel, Indiana, Red Gate Farms, Canfield, Ohio, and Greenwood Farm, South Solon, Ohio. The heifer was made available by Dr. O. W. House and Vernon Benroth of Washington Court House, Ohio.

On Saturday, July 4th, a preview of the B-Day program was featured on the National Farm and Home hour over the entire NBC radio network. As a result of the nation-wide audience who listened to the broadcast the attendance came from many states to see the demonstrations and enjoy the field day events.

The program was for the purpose of promoting the raising of beef cattle in the Ohio Valley area, where much more of the hill land needs to be in grass and other forage.

Clipper Gordon 8th—A six-year-old daughter of Golden Oak Prince Peter and a member of the Clipper family that has proved so prolific in the herd of Perry S. Stangel at Sidney, Ohio.

Chuck Behm, expert cattleman and widely known herdsman, is in charge of preparing the Strowan herd for this dispersion. Hugo Schmidt is his able assistant. We are grateful to these men for their tireless efforts in behalf of Strowan Short-horns.

Attention - - Southern Buyers!

Buy now. Take delivery on October 1. We know you don't like to lay in cattle during the hot months. We have arranged with Robert Reese, who has leased Strowan Farms, to hold your purchases until October 1st. They will be turned on pasture (good pasture) and will receive good care. No charge!

Strowan Shorthorns have won highest honors in American show rings and have been purchased by discriminating breeders from coast to coast. We are proud of the long list of satisfied Strowan customers.

Want to insure your cattle against death from any cause?
